Please Note

1. We highly recommend referring to the document [Understanding Your Elements TFoM TER Template and Mapping](#) when uploading your records, and using this screenshot guide as a supplementary reference. It provides the all record formats, and using both documents together will ensure greater accuracy.
2. Please remeber to manually save any changes after each edit by clicking the **"Save"** button.
3. When adding records, be sure to expand the **"Additional Information"** sections to ensure all required fields are filled.
4. Fields marked with **asterisk (*)** are mandatory fields, and it is important to select the appropriate options from the dropdown menu.
